

# TEDC – Community Update

September 30, 2010

## TFN Economic Development Corporation

TSAWWASSEN FIRST NATION  
sc̓awaθən məsteyax™

### Highlights:

- TEDC is looking for interested artists to showcase their work in **Display Cases** located in TFN's Administration Building and Si'em Café. Please refer to the separate page in the notice regarding the display cases.
- In support of local artists, TEDC will be creating an **Artisan Directory** outlining the talents of local members so TEDC can promote their work and communicate potential opportunities. Please contact our office if you're interested by submitting your name and the type of art you specialize in.
- Please look for our new corporate page on **Facebook** under "TFN Economic Development Corporation". You will be able to find the latest updates regarding TEDC initiatives, job postings, and events. Please refer to the separate page of the Community Notice for full details.

### Please contact

**Ryan Daum**

at TFN Economic Development Corporation for information about any of the above.

(604) 948-5219

### Communications

- In consultation with TFN, TEDC has developed a set of targets for **Non-financial TFN Member Benefits** that can be used to guide discussions with proponents of development projects on Tsawwassen Lands. These types of benefits include employment, contracting, training and other opportunities for TFN Members to participate in projects. The strategy paper outlining these targets can be found on the TFN's website by scrolling over the *Economic Development* tab and selecting *Reports* from the drop down menu.
- TEDC would like to welcome 2 **New Contracted Employees** to our team. Penny Ashton brings 30 years worth of accounting experience working in accounting firms and private enterprise to her new role as TEDC's Controller. Chuck Marr our new Development Manager, has worked in all areas of real estate development over the past 35 years including developing a number of award winning master-planned communities.

### Job Opportunities and Training

- Space is available for students wishing to enroll in the next intake for the **Supply Chain Skills Training** class starting on October 4th. Graduates of the program will gain work specific certificates in Forklift Operation, Level 1 First Aid, WHIMIS, Closed Space, and Fall Arrest. Interested students can register with the First Nations Employment Society at the Tsawwassen Gateway Skills Centre. Once registered, students are assisted with the enrollment process and the completion of a skills assessment. TFN Members interested in enrolling can contact Terry Baird by phone (604) 999-7740, or email at [tbaird@tsawwassenfirstnation.com](mailto:tbaird@tsawwassenfirstnation.com), or visit him at his new office at the *Tsawwassen Gateway Skills Center located at 2446 Falcon Way*.
- For general information about the programs offered at the Centre please contact Roseann Guerin at (604) 605-7194 or call the centre directly at (604) 948-2181. Roseann is available on site every Wednesday for those wanting to talk to her.
- TFN Construction/Matcon Civil Joint Venture is looking for a **Marketing Manger**. Preference amongst qualified applicants will be for TFN Members. If interested, please submit your resume with references for the attention of Mr. Ron Amos, TFN Construction / Matcon Civil Joint Venture c/o:
