Smuyuq'wa' Lelum Philosophy

Smuyuq'wa' Lelum ECDC is a positive introduction to the school experience. We strive to provide a safe, caring, and inviting environment to enhance positive social and emotional development and instill a sense of pride, confidence and desire to learn within children.

At Smuyuq'wa' Lelum we encourage cultural diversity and acceptance of all ethnicities as a means of bridging the gaps within our communities. This will provide children with a positive sense of themselves and to build knowledge of their culture.

We believe in a positive start to engage children in the possibility of learning so that they carry forth the enthusiasm, self-esteem and initiative to foster future personal growth and learning.
