

Members' Guarantee Act Summary

The *Members' Guarantees Act* gives force of law to the guarantees to Members that were voted upon at the Annual General Meeting of Tsawwassen Members held on July 7, 2007. Those guarantees are listed in the schedule to the Act. This Act ensures that the interests of Members will be honoured by the Tsawwassen Government. They are binding on the Legislature and Executive Council, and all employees. The guarantees can only be changed by a vote of Tsawwassen Members of voting age, with a 2/3 majority supporting a change.
